

# WOMEN IN PUBLIC SECTOR SUMMIT 2020 *Virtual*

21 OCTOBER 2020

Join us on the VIRTUAL EDITION of Women in Public Sector Summit 2020 as we harness the power of the collective and explore leadership in our current environment and in our community in a volatile world.

**The Women in Public Sector Summit is organised by the public sector, for the public sector.**

The priority is to provide professional development and network opportunities that will enable women to unleash their full potential, lift workplace engagement, inspire, motivate, and create professional connections. The event is also focused on promoting diversity and inclusion across the public sector.

**YOU ARE ENCOURAGED TO ATTEND IF YOU ARE:**

- ready for your first people or thought leader role
- looking for career progression in the public sector
- a champion of, or in a business role supporting diversity and inclusion in the public sector
